The Misfits (12A)	Dir: John Huston	USA	1961	124 mins
Written by Arthur Miller and directed by John Huston, *The Misfits* is a touching and off-beat drama of broken-hearted cowboys and broken-down marriages, co-starring Clark Gable and Montgomery Clift as an aging cowboy and a rodeo-rocked bull rider, both with bittersweet memories of a west that's no longer wild. Infused with the promises of what could have been if she had been given more time to explore her skills as a dramatic performer, Marilyn Monroe delivers one of her very best performances.
