Bryan Cranston and Marianne Jean-Baptiste feature in a five-star, triumphantly acclaimed new production of Arthur Miller's classic play. One family, the heart of the American dream. Will peacetime bring peace of mind, or will he be confronted by the consequence of his actions?

A mainstay of the London art scene since the creative explosion of the 1960's, Julian Sklar (Ian McKellen) has drifted into a cluttered, self-imposed seclusion. His two estranged children (James Corden, Jessica Gunning) enlist Lori (Michaela Coel), a young painter and sometime-forgery, to pose as a prospective assistant and gain access to a fabled series of unfinished canvases Julian has buried deep in his home studio, in a deceptive bid to secure an inheritance for themselves.
